Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of Barracks for Advance Voting at the Parliamentary Election and the Sami parliamentary Election 2021

Reference number: 20/01844

II.1.2. Main CPV code

75110000 General public services

II.1.3. Type of contract

Services

II.1.4. Short description

There is a need to hire barracks that will be used as premises for advance voting in this year's parliamentary election and the Sami parliamentary election in 2021. The barracks will be placed in central locations in Oslo. As of November, a decision has been made to place barracks at 24 locations, but the number may change. It is not unlikely that the number will increase to around 30. Each barrack consists of 2-3 barrack modules. Most have three barrack modules. The exact number of barrack modules we want to hire will be clear during spring 2021. The city council secretariat would like to hire complete barracks with a defined content. The service provider will be responsible for setting out, assembling, disassembling and removing the barracks. The barracks must be completely fitted out and ready for use when the advance voting starts on Tuesday 10 August. The advance voting ends on Friday 10 September. We want to hire the barracks from and including 27 July 2021 to and including 15 September 2021. Furthermore, the contracting authority has the option to extend the contract for up to one additional election.

II.1.5. Estimated total value

Value excluding VAT: 12 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description**II.2.2. Additional CPV code(s)**

44211100 Modular and portable buildings, 44211110 Cabins, 44211200 Cubicles, 51110000 Installation services of electrical equipment, 71500000 Construction-related services

II.2.3. Place of performance

NUTS code: NO011 Oslo

II.2.4. Description of the procurement

There is a need to hire barracks that will be used as premises for advance voting in this year's parliamentary election and the Sami parliamentary election in 2021. The barracks will be placed in central locations in Oslo. As of November, a decision has been made to place barracks at 24 locations, but the number may change. It is not unlikely that the number will increase to around 30. Each barrack consists of 2-3 barrack modules. Most have three barrack modules. The exact number of barrack modules we want to hire will be clear during spring 2021. The city council secretariat would like to hire complete barracks with a defined content. The service provider will be responsible for setting out, assembling, disassembling and removing the barracks. The barracks must be completely fitted out and ready for use when the advance voting starts on Tuesday 10 August. The advance voting ends on Friday 10 September.
We want to hire the barracks from and including 27 July 2021 to and including 15 September 2021.

The election committee in Oslo will decide on the locations and opening hours of the advance voting. Out of consideration to the election and confidence in the election, it is very important that all of the advance voting locations are always open during the hours they are supposed to be open.

Comprehensive description of the delivery in accordance with the requirement specification. Furthermore, the contracting authority has the option to extend the contract for up to one additional election (municipal council election and election for district committees 2023).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 12 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 27/07/2021 End: 15/09/2021

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority has the option to extend the contract for one additional election (municipal council election and election of district committees 2023), i.e. a further 2 years, on verbatim terms with the exception of the following: the contract prices can through activation of the option be regulated in accordance with changes in Statistics Norway consumer price index, or if it is suspended, another equivalent public index. However, the rent must not be regulated below the rent agreed at the time of the contract. The original contract index is the index for the contract month in the year 2021.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure
