I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

Health

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Pneumococcal Vaccine 2022 (2023)
Reference number: VN/3621/2021

II.1.2. Main CPV code

33651600 Vaccines

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Ministry of Social Affairs and Health (hereinafter "STM") and Finnish institute for health and welfare (hereinafter "THL" or "Customer") request your tender for Pneumococcal Vaccines for risk group belonging to the National Vaccination Programme in Finland. The contract will be awarded to one Supplier based on a comparison of tenders. Tender that is economically the most advantageous will win the competition.

Please note that all times given in the Call for tender refer to local time in Finland.

Call for tenders, annexes:

Annex 1 The rationale for PCV Procurement Tender Criteria

Annex 2 Contract (draft)

Annex 3 JYSE 2014 Supplies (Updated April 2017)

Annex 4 Handi Services

II.1.5. Estimated total value

Value excluding VAT: 600 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: FI Suomi / Finland

II.2.4. Description of the procurement

The purpose of STM and the Customer is to procure Pneumococcal Vaccines for risk group required for the National Vaccination Programme in Finland. The tendered vaccine must be suitable for patients under 74-year-old with severe chronic kidney disease. The Pneumococcal risk group will be vaccinated by age group starting from the oldest age group.

The Customer will implement the procurement on behalf of STM. The roles of STM and Customer are described in more detail in section "Presentation of the contracting authority".

The subject of procurement and the mandatory requirements relating to it are described in detail in this Call for Tender and its annexes. The contract will be awarded to one Supplier based on a comparison of tenders.

CONTRACT PERIOD

The contract's duration is about one year during 2022. Estimated quantity for the contract period is 10 000 (+/- 5 000) doses depending on the tendered price since the total price for the procurement is fixed and the total cost for this procurement is 300,000.00 euros (excluding VAT) for the contract period.

The Contract period shall enter into force once the contract has been signed, and expire when all contractual duties have been performed. After the contract period, the Customer reserves the right for the option described in section "Description of renewals".

Tenders will be compared in the manner described in section "Grounds for decision" of the Call for Tender.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The procurement contains one option period to extend the contract. Estimated quantity for option period is the same amount of doses than in the contract period depending of the price of the vaccine. The option period can cost at the most 300.000,00 euros (excluding VAT). See Annex 2 for additional information on the option.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

This procurement is detailed in the contract notice published on TED (Tenders Electronic Daily) online version and on the Hilma electronic procurement portal at www.hankintailmoitukset.fi as well as in this Call for Tender and its Annexes.
