#### **II.1.4. Short description**

Arbeids- og velferdsetaten v/NAV Økonomi- og styringsavdelingen, Anskaffelsesseksjonen, henceforth referred to as the contracting authority, invites tenderers to an open tender contest for the procurement of lifting platforms, stair lifts, support systems for stairways and stair climbers, with associated accessories, spare parts and services

The aim of the procurement is to establish an assortment of lifting platforms, assistive devices for stairs, with a range that covers the requirements for the relevant users.

The tender contest is divided into sub-contracts in order to best meet the needs of the relevant user groups, secure comparable products and contribute to achieving the desired range of products. Contracts will be signed for each lot with a sufficient number of tenderers to cover the majority of the users' needs.

The maximum total value is estimated to be up to 40% higher than the estimated total value per sub-contract.

The detailed contents of the procurement are specified in the tender documentation.
