### 2. Procedure

---

#### 2.1. Procedure

Title: Framework agreement trade services: Ventilation

Description: This is a competition for parallel framework agreements with up to 5 tenderers for the delivery of trade services and the procurement of goods/materials for the execution of work for the Contracting Authority within the ventilation disciplines.

Procedure identifier: ea053a12-1a06-4ac9-bfd9-5e2d7c591ab2

Previous notice: bbb51efd-ad19-472d-af23-f3158331e0e2-01

Internal identifier: 2025018204

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The contracting authority would like to enter into a framework agreement with up to 5 tenderers for trade services and the procurement of goods/materials for the execution of work within the ventilation disciplines. Tenderers will be ranked in accordance with the award criteria in the current competition. See Annex 01 for information on

how call-offs on this framework agreement will be made. The contracting authority shall be able to order works, maintenance and service, as well as goods/materials, which are defined in the building parts table. For information on which products/materials can be ordered under this framework agreement, see Annex 02. It can be particularly noted that it is expected that heat pumps will be purchased under this framework agreement when needed. It is emphasized that the above is not indicative of the qualifications that the tenderer must have, but shall only provide guidelines for what the Contracting Authority shall be able to order under this framework agreement. The contracting authority shall, of course, have the possibility of ordering the works resulting from what is described in Annex 09.
