No tender responses were received for the Bodmin and Truro, Telford or Southampton Schemes on 18 August 2020. Expressions of Interest were invited to deliver those Schemes. The expression of interest process closed on 25 August 2020. This EOI process is open to organisations who already hold an Exclusive Schedule to deliver advice through an HPCDS Contract and current providers of Housing and Debt Contract Work.

The LAA wanted to hear from organisations who are able to meet all of the following requirements:

- Deliver advice under the Scheme, as soon as possible but no later than 14 September 2020. For the avoidance of doubt preference will be given to organisations who are able to commence work soonest; and
- Who are able to deliver HPCDS services face to face at court and/or remotely in order to meet the individual circumstances of the court and/or client. For the avoidance of doubt preference will be given to organisations who are able to deliver face to face advice; and

- Liaise with the relevant courts to ensure that the service is in place and ready to commence from the date the Exclusive Schedule is awarded, as soon as possible but no later than 14 September 2020; and
- Cover all sessions that the court lists on or after the date the Exclusive Schedule is issued; and
- Staff the scheme with experienced housing advisers who, in their course of work, conduct a minimum of 12 hours of housing casework per week; and
- Employ a Housing and Debt Supervisor who meets the Supervisor Standard and will oversee the running of the HPCDS

We appreciate that it may not be possible for organisations to meet all of these requirements and will consider alternative proposals, subject to the organisation providing satisfactory assurance of how it will deliver the service and the timescale for doing so.
