

Norway-Oslo: Underwater exploration services

OJ S 204/2023 23/10/2023

Contract notice

Services

Legal Basis:

Directive 2014/24/EU

Section I: Contracting authority

I.1. Name and addresses

Official name: Norges vassdrags- og energidirektorat (NVE)

National registration number: 970205039

Postal address: Middelthunsgate 29

Town: OSLO

NUTS code: NO Norge

Postal code: 0368

Country: Norway

Contact person: Meriem Lellouchi

E-mail: mle@nve.no

Telephone: +47 22959175

Internet address(es):

Main address: <https://permalink.mercell.com/214115333.aspx>

Address of the buyer profile: <http://www.nve.no/>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://permalink.mercell.com/214115333.aspx>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/214115333.aspx>

I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of riverbed mapping 2023

Reference number: 202314403

II.1.2. Main CPV code

71351924 Underwater exploration services

II.1.3. Type of contract

Services

II.1.4. Short description

The main purpose of the procurement is to obtain data for flood zone mapping for projects that work with physical measures against flooding and erosion and to map erosion in relation to quick clay risk. The riverbed data will be used in hydraulic models of the rivers, among other things.

II.1.5. Estimated total value

Value excluding VAT: 5 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71222200 Rural areas mapping services, 71351923 Bathymetric surveys services, 71354100 Digital mapping services

II.2.3. Place of performance

NUTS code: NO092 Agder

NUTS code: NO0A1 Rogaland

NUTS code: NO091 Vestfold og Telemark

II.2.4. Description of the procurement

NVE estimates the value at NOK 3-5 million excluding VAT, including the option.

A full description of the scope of the procurement can be found in the requirements specification attached as Appendix 6.1.

This tender is divided into 5 sub-projects. See the list below for details of the sub-projects and stretches of river. One of the sub-projects is set as an option.

The map available in Appendix 6.2 shows in greater detail which areas need to be covered.

1) Mosby - from the sea outlet in Kristiansand to Vigelandsfoss at Vikeland (13.1 km stretch of river). The area is located in Agder county.

2) Egersund - From the sea outlet to Åmot. The area consists of two parts, with a gap between the areas. (A 14.7 km stretch of river in total). The area is located in Rogaland county.

3) Søgne - from the sea outlet to Eikeneset inland (17 km stretch of river). The area is located in Agder county.

4) Tuven - from the outlet at Heddalsvatnet to Brekka upstream, in addition to a small separate stretch in Notodden town (totalling 21.5 km of river). The area is located in Vestfold and Telemark county.

5) Option: Kongsmo - from the sea outlet to the outlet of Ytre Øydnavatnet (32.5 km stretch of river). The area is located in Agder county.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 5 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 08/12/2023 End: 30/08/2024

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Option: From the sea outlet at Kongsmo to the outlet of Ytre Øydnavatnet (a 32.5 kilometre stretch of river). This area is located in Agder county.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer shall have their affairs in order with respect to the payment of tax, employer contribution and VAT.

Documentation requirement:

Norwegian tenderers:

Tax certificate, not older than 6 months

Foreign contractors:

Tax certificate, not older than 6 months, or last valid certificate

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

Norwegian companies: Company registration certificate

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the agreement.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

Credit assessment based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Contractors must utilise one or more ALB and/or multibeam sonar systems as the data collection method for mapping the riverbed. For ALB systems, the flight altitude for data collection must not be higher than the maximum recommended value for the ALB systems intended to be used for the project.

Documentation requirement:

Standard product sheet with the manufacturer's specifications for the equipment that will be used. The recommended maximum flight altitude for the ALB system must be specified. Information and specifications on the type of platform that will be used (e.g. aeroplane, helicopter and drone for ALB systems, and boat, kayak and USV for multibeam sonar). A good and well-functioning quality assurance system is required for the services that will be provided.

Documentation requirement:

Declaration regarding the contractor's quality assurance system/management system

The contractor must have the necessary authorisations required to carry out the project. The flight must comply with BSL D 1-1 Regulation on aviation and Regulation (EU) no. 965/2008, Part NCO, subchapter E, as the flights are considered as working flights.

Documentation requirement:

Overview of the required authorisations the contractor must have in order to carry out the project.

Tenderers must have experience from comparable assignments.

Documentation requirement:

Description of up to three of the tenderer's most relevant assignments in the last three years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 20/11/2023 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7. Conditions for opening of tenders

Date: 20/11/2023 Local time: 12:00

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic invoicing will be accepted

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

Official name: Oslo tingrett

Town: Postboks 2106 Vika

Postal code: 0125 Oslo

Country: Norway

VI.5. Date of dispatch of this notice

18/10/2023
