Procedure identifier: d7e9029f-55a9-4043-90e6-9fcd71e03217

Internal identifier: 24/271027

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: All qualified tenderers are invited to submit a first tender. The contracting authority will make a reduction/reduce the number of tenders with several tenders. Implementation of negotiations: The contracting authority will conduct negotiations with 3 tenderers. The contracting authority will make a reduction/reduce the number of tenders with several tenders. The reduction/choice shall be made on the basis of the stated award criteria, so that the best ranked tenders/solution proposals will continue to the next phase, cf. the procurement regulations § 23-11. Any reduction/deselection will be made before negotiations are carried out. The negotiations are planned to be carried out as one or several separate physical meetings between the contracting authority and each of the tenderers in premises that the Contracting Authority provides. The meetings can be held digitally. Emphasis is put on the fact that the contracting authority cannot, in the face of the other suppliers, reveal systems or other confidential information that a tenderer gives the contracting authority, without the tenderer's consent, cf. the procurement regulations § 23-10 (2). The negotiations are planned to be carried out in accordance with the provisional plan as stated in the tender documentation chapter A2. The contracting authority reserves the right to hold further negotiation meetings and request further revised tenders if needed. The purpose of the negotiation meetings is for tenderers to get feedback that will enable them to submit an

improved tender. The contracting authority will give tenderers feedback on how the contracting authority has assessed the tenderers' tenders in accordance with the award criteria.
