Additional information can be obtained from the abovementioned address
Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/211294854.aspx>

I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Framework agreement for maintenance of Time Municipality's vehicle fleet
Reference number: 2023/6429

II.1.2. Main CPV code

50110000 Repair and maintenance services of motor vehicles and associated equipment

II.1.3.

Type of contract

Services

II.1.4. Short description

Time Municipality would like to enter into a framework agreement with a tenderer for maintenance of the municipality's vehicles.

It is important for the contracting authority that this contract gives good and efficient cooperation and that as many services as possible are included in a visit to the garage.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

50111000 Fleet management, repair and maintenance services, 50112000 Repair and maintenance services of cars, 50112100 Car repair services, 50112200 Car maintenance services, 50112300 Car-washing and similar services

II.2.3. Place of performance

NUTS code: NO0A1 Rogaland

II.2.4. Description of the procurement

The service includes, amongst other things:

- Annual service
- PKK checks
- Repairs as required
- Vehicle breakdown rescue service

The assignment will mainly be for cars that the municipality owns in accordance with the attached list. Newly procured vehicles will, as a starting point, follow services at the manufacturer's supplier. Vehicles that come in the contract period must have the same terms as those offered in the tender.

17 electric cars, Skoda Citigo, marked with green in annex 1, price sheet, are currently not part of the contract, but will be added in the period and must be priced and will be part of the evaluation.

Repairs and services are subject to being carried out by another supplier when this is more appropriate.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/12/2023 End: 30/11/2025

This contract is subject to renewal: yes

Description of renewals:

Extension for 1 year + 1 year.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a certified garage.

Documentation: Proof of certification.

Registration in a trade register or a company register: Tenderers must be registered in a company register or a trade register in the country where the tenderer is established.

Documentation: Attach a company registration certificate when the tender is submitted.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

In the case of financial key figures specified in the announcement or in the procurement documents, the tenderer declares that the actual value (s) of the key figure (s) requested is as follows:

Minimum level(s) of standards possibly required:

Description of requirements/documentation: Regarding the financial key figures stated in the notice or in the procurement documents, tenderers must declare that the actual value(s) for the key figure(s) requested are as follows: A description of the requirements/documentation: The contracting authority will obtain a credit rating via Proff Forvalt credit information company, www.forvalt.no. The minimum score acceptable is 'satisfactory' within two of the following criteria: liquidity, profitability and solvency, cf. Proff Forvalt's ranking and/or minimum B on the probability of bankruptcy analysis. Tenderers are expected to have familiarised themselves with recorded information about the company and on submitting the tender consents that this information will be obtained and form the basis of the assessment of the tenderer's economic situation. Tenderers who have not had accounts in recent years will be rejected unless a pledge is presented for a bank guarantee of such a size that it can be used as security for fulfilment of the contract.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Description of requirements/documentation: Description of the tenderer's (the company) most relevant contracts in the course of the last 3 years. The reference list must also include information on the value, date, and the name of the public or private recipient, with contact information for any references.

Minimum level(s) of standards possibly required:

Tenderers have, in the reference period, carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years' experience and can take experience from the period before the last three years into consideration.
