Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement: Norwegian tenderers: eBevis or a Company Registration Certificate. Foreign tenderers: Verification that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement: A credit rating based on the most recent fiscal figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have experience from similar assignments.

Documentation requirement: Description of the tenderer's up to 3 most relevant contracts in the course of the last 3

years. The description must include a statement of the assignment's value, date of delivery or execution, and recipient (name, telephone number and email address). It is the tenderer's responsibility to document relevance through the description.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description
