Supercomputer NWP24
Reference number: LiU-2023-03046

II.1.2. Main CPV code

30211100 Super computer

II.1.3. Type of contract

Supplies

II.1.4. Short description

The National Supercomputer Centre at Linköping University will during 2023-2024 procure High Performance Computing (HPC) systems for numerical weather prediction to be installed in 2024.

Invitation

Linköping University (LiU) invites suppliers who wish to participate in the negotiated procurement for the supply of a HPC (High Performance Computing) resource to submit a request to participate.

The invitation consists of the so-called procurement documents which contain all the information you as a candidate need to be able to submit a request to participate to Linköping University.

The requirements and conditions applicable to the qualification of Candidates are stated in this invitation with attached appendices. Read the documentation carefully and make sure that all questions are answered and that all requested evidence are attached.

The tendering company will hereinafter be referred to as both the candidate, the tenderer and the supplier in the procurement documents.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: SE123 Östergötlands län

Main site or place of performance: Linköping

II.2.4. Description of the procurement

The National Supercomputer Centre at Linköping University will during 2023-2024 procure High Performance Computing (HPC) systems for numerical weather prediction to be installed in 2024.

Invitation

Linköping University (LiU) invites suppliers who wish to participate in the negotiated procurement for the supply of a HPC (High Performance Computing) resource to submit a request to participate.

The invitation consists of the so-called procurement documents which contain all the information you as a candidate need to be able to submit a request to participate to Linköping University.

The requirements and conditions applicable to the qualification of Candidates are stated in this invitation with attached appendices. Read the documentation carefully and make sure that all questions are answered and that all requested evidence are attached.

The tendering company will hereinafter be referred to as both the candidate, the tenderer and the supplier in the procurement documents.

Type of Contract

LiU intends to award a contract to one (1) supplier for the entire scope of the procurement.

Contract Amount

The Contract Amount includes the delivered HPC system, installation, service and support. It will depend on life-cycle costing. The Contract Amount is estimated to be in the range 40-60 MSEK excluding VAT depending on the installed solution.
