III.1. Conditions for participation

III.1.1.

Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company registration certificate.
- Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the agreement.

Sufficient means an achieved credit rating equivalent to A/good or better.

Minimum level(s) of standards possibly required:

- Credit rating from a certified credit rating agency based on the most recent known accounting figures.
- The credit rating must not be more than 6 months old.
- The assessment must contain information regarding creditworthiness. A credit rating of A /good creditworthiness is required.
 - o The result of the credit rating must be documented as a graded value (letters or numbers) on a defined scale.
- A bank guarantee can be submitted that provides equivalent guarantee for the ability to fulfil the contract.
- the contracting authority reserves the right to obtain a credit report on www.dnb.com/no (provided by Dun & Bradstreet) in order to verify that the tenderer has sufficient economic and financial capacity to comply with the contractual obligations.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have good capacity demonstrating that they can fulfil the contract

Tenderers must have professional expertise demonstrating that they can execute the contract.

Minimum level(s) of standards possibly required:

A short general description of the company must be given, including:

- o An account of the company's business concept and core competencies related to the scope of the delivery.
- o A description of how the tenderer is organised for the execution of this contract, including a list of personnel that the tenderer can use to fulfil the contract as requested.
- Description of the tenderer's up to 3 most relevant contracts in the course of the last 3 years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.
