II.1.4. Short description

The Housing Bank of Norway is in the implementation phase of a new loan system T24 delivered by Temenos. The loan system is scheduled to be implemented and commissioned during 2022, however due to delays, the project will most likely be completed during the first half of 2023 instead.

Jørn Pedersen has assisted the Housing Bank of Norway for a period with Natural/Adabas competence for the migration to the new loan system T24 delivered by Temenos. Due to the delays in the project, there is still a need for his competence. An assessment has been made as to whether a contest should be held, but the decision was made that this was not appropriate. Jørn Pedersen (Natural Partner AS) has key competence in the project, and the contract that will be signed will have a limited length until completion.
