No dynamic purchase system

5.1.16. Further information, mediation and review

Review organisation: Tribunal administratif de Montreuil

Organisation providing additional information about the procurement procedure: Hôtel du Département

Organisation providing more information on the review procedures: Tribunal administratif de Montreuil

5.1. Lot: LOT-0002

Title: Lot n°2 : Etudes de terres cuites architecturales (TCA) provenant de la fouille du Prisme à Bobigny

Description: La fouille du Prisme a permis la découverte d'une occupation romaine qui s'organise autour d'un carrefour de voies. Plusieurs bâtiments s'articulent autour de ce dernier. Lors de la fouille, un corpus de terres cuites architecturales (TCA) extraordinaire par sa quantité ainsi que par la diversité des éléments étudiés lors d'une première identification a été mis au jour. L'étude de ces TCA permettrait de mieux comprendre l'organisation spatiale de l'occupation et d'établir un référentiel régional pour ce type de mobilier. L'intérêt archéologique

et scientifique d'une telle étude a aussi pour but de mieux appréhender les méthodes de construction de la période gallo-romaine en Seine-Saint-Denis, et plus largement en Île-de-France
