**II.1.4. Short description**

The contracting authority would like to enter into a framework agreement for picking analyses of waste in Trondheim. There is a need in the contract period for picking analyses of household waste for the contracting authority and municipal business waste for Trondheim Municipality c/o the Agency for Climate and the Environment, Municipal Engineering, and Trondheim Property. The contracting authority has assignments for annual picking analyses. The scope and fractions can vary from year to year. The contract will concern picking analyses

at the contracting authority's 5 household fractions (cardboard/paper/cartons, plastic packaging, glass/metal, food waste, and residual waste), as well as municipal business waste, with a focus on surplus food and food waste, i.e., usable and non-usable food waste in municipal entities, which is the need, but there can also be other needs. Picking analyses on further fractions in the contracting authority's portfolio can also be ordered if required. See annex 03 Price Sheet for the main need under the framework agreement.
