II.1.4. Short description

IKT Fjellregionen iks intends to enter into a contract for the disposal of ICT equipment such as PCs, mobile telephones, servers, hard disks, as well as other equipment that naturally comes under this.

The aim of the procurement is to cover the contracting authority's ongoing need to dispose of ICT equipment in a secure and environmentally friendly way, so that as much of the equipment as possible can be reused and recycled. A particularly important part of the contract is that saved data is deleted in a secure way before the equipment is reused or sold.
