#### **II.2.14. Additional information**

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be legally established and registered in a company register or trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have the required economic and financial strength in relation to its operations in general, and in relation to the nature of this contract. Tenderers must have an annual minimum turnover in the area the contract concerns that exceeds the estimated value of the contract.

Minimum level(s) of standards possibly required:

Documentation Requirement: The company's Annual Financial Statement for the last 2 financial years, including the board's annual report, income statement, balance sheet, notes and auditor's report.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

The tenderers must have experience from assignments of an equivalent nature, size/scope and degree of difficulty.

Minimum level(s) of standards possibly required:

Documentation Requirement: The tenderer must be able to provide documentation on at least one corresponding and relevant assignment within the last three years.

### **III.2. Conditions related to the contract**

#### **III.2.2. Contract performance conditions**

The contracting authority requires that the tenderer's wage and working conditions are in accordance with generally applicable collective agreements or nationwide collective agreements for the relevant area covered by the contract. Wage and working conditions are in this context defined as provisions on minimum working hours, wages, including overtime supplements, shift and rota supplements and inconvenience supplements and coverage of expenses for journeys, food and lodgings, to the degree that such provisions are in the tariff agreement.

## **Section IV: Procedure**
