Activity of the contracting authority: Recreation, culture and religion

2. Procedure

2.1. Procedure

Title: Conception, fabrication en usine et livraison de structures modulaires mobiles ou mobil-homes destinées à l'hébergement de personnels saisonniers et de salariés

Description: Le présent marché a pour objet la conception, la fabrication en usine et la livraison de structures modulaires mobiles ou mobil-homes destinées à l'hébergement de personnels saisonniers et de salariés de la RATCC. Les structures fournies au titre du présent marché doivent conserver, tout au long de leur durée d'utilisation et après leur installation complète, un caractère temporaire, réversible et facilement déplaçable. L'installation ne doit en aucun cas créer un ancrage permanent au sol de nature à en rendre le déplacement complexe ou destructeur pour le support ou la structure. Aussi, les structures mobiles conserveront en permanence leurs moyens de mobilité (roues et barre de traction notamment). Par ailleurs, les travaux de raccordement (VRD) des structures modulaires seront assurés par le pouvoir adjudicateur. Enfin, les structures modulaires devront être livrées au plus tard le 30 avril 2027.

Procedure identifier: 8b22c6ff-0ad5-4161-a5b7-8189f582bb6b
