### Section III: Legal, economic, financial and technical information

---

#### III.1. Conditions for participation

##### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must not have tax or VAT arrears.

Registered in a trade register or company register.

Tenderers must be registered in a company register or trade register in the member state where the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex. Tenderers are required to have a legally established enterprise: Norwegian tenderers: Company Registration Certificate. Foreign tenderers: Verification that the tenderer is registered in a Register of Business Enterprises, professional register, or a trade index in the country where the tenderer is established.

##### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Financial key figures

Regarding requirement for financial key figures specified in the notice or in the procurement documents, the tenderer declares that the actual value (s) of the key figure (s) requested is as follows: The tenderer must have as the financial ability to carry out the assignment.

Minimum requirement: The tenderer must be creditworthy. Creditworthy is defined as:

Minimum level(s) of standards possibly required:

Score of

satisfactory or better for at least two of the following criteria: solidity, liquidity and profitability.

The contracting authority bases its evaluation on the accounting figures and key figures registered in Proof Forvalt. Tenderers failing to meet the requirements, a presentation of other documentation must be given verifying that the requirement for credit worthiness is fulfilled.

##### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers are required to have experience from equivalent assignments for Norwegian public authorities. A list of references shall be enclosed of at least 2 similar assignments where the tenderer informs about the client, the names of the contact persons and telephone numbers, as well as the scope and duration of the contract.

Minimum level(s) of standards possibly required:

The tenderer must describe the established quality and environmental management system. The tenderer shall document the established quality and environmental management system and how this will affect the delivery in accordance with requirements given in the contract. If a tenderer is certified through a publicly recognised scheme, such as Eco-Lighthouse, ISO 14001, or similar, a copy of a valid certificate must be enclosed. Alternatively, the tenderer shall enclose a separate declaration that describe the environmental management system's structure and operational area.
