---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be a legally established company

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Proof that the tenderer is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

The tenderer must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement: A credit rating based on the most recent fiscal figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, it can be proved by presenting a declaration from a financial institution on surety.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Requirement 1: The tenderer must have good experience from the implementation of equivalent deliveries/comparable assignments.

Documentation requirement: A list with an overview and description of the tenderer's 3 most relevant assignments during the last 3 years.

The list/description ought, as a minimum, contain:

- Name of customer/recipient
- Description of the company's role
- The assignment's value
- Delivery dates
- A brief description of the delivery.

Requirement 2: The tenderer must have sufficient capacity to carry out the contract in a satisfactory manner.

Documentation: The tenderer shall give information about own capacity, as well as documentation of the average manpower and number of employees in the administrative management.
