Title: Provision of Insurance Brokerage, Placement and Advisory Services BusConnects Dublin (Tranche 2)

Description: The BusConnects Dublin Core Bus Corridors project involves the development of on-going bus priority infrastructure, as well as improved pedestrian and cycling facilities on key corridors across the Dublin region. Its objective is to increase the capacity of the public bus system by improving the speeds, reliability and punctuality of buses by providing bus lanes and other measures to prioritise the movement of buses over general traffic movements and to increase cycling capacity through the provision of safe cycle infrastructure, where feasible separated from general traffic. The project includes the construction of approximately 230km of designated bus lanes and 200km of cycle tracks in 12 separate Schemes across five local authority areas. Full detail can be accessed at the following link: <https://busconnects.ie/cities/dublin/core-bus-corridors> The estimated contract value is €343,200, with a maximum contract value of €394,680. The contract is until successful completion of services.
