2.1. Procedure

Title: Achilles Utilities NCE qualification - notification of qualification system - Supplies
Description: ACHILLES UTILITIES NCE is a joint qualification system for suppliers and contractors to utilities in Nordics and Central Europe. It's operated by Achilles under Article 77 of Directive 2014/25/EU. The subscribing utilities will use ACHILLES UTILITIES NCE for tenderer selection for contracts and framework agreements subject to EU procurement rules, but reserve the right to publish individual notices for specific requirements where they deem it necessary, even though they relate to the product and service categories covered by ACHILLES UTILITIES NCE. The qualification system may be used for contracts not subject to EU procurement rules at each subscriber's discretion. An overview of products and services acquired through ACHILLES UTILITIES NCE is available here <https://www.achilles.com/wp/wp-content/uploads/2023/05/Product-and-Service-Code-Guide-EN.pdf> [<https://www.achilles.com/wp/wp-content/uploads/2023/05/Product-and-Service-Code-Guide-EN.pdf>]

Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002

on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Offence concerning its professional conduct in the domain of defence procurement: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Lack of reliability to exclude risks to the security of the country: Is the tenderer assessed to lack the reliability necessary to exclude the risk of national security?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

Title: Achilles Utilities NCE qualification - notification of qualification system - Supplies

Description: ACHILLES UTILITIES NCE is a joint qualification system for suppliers and contractors to utilities in Nordics and Central Europe. It's operated by Achilles under Article 77 of Directive 2014/25/EU. The subscribing utilities will use ACHILLES UTILITIES NCE for tenderer selection for contracts and framework agreements subject to EU procurement rules, but reserve the right to publish individual notices for specific requirements where they deem it necessary, even though they relate to the product and service categories covered by ACHILLES UTILITIES NCE. The qualification system may be used for contracts not subject to EU procurement rules at each subscriber's discretion. An overview of products and services acquired through ACHILLES UTILITIES NCE is available here <https://www.achilles.com/wp/wp-content/uploads/2023/05/Product-and-Service-Code-Guide-EN.pdf> [<https://www.achilles.com/wp/wp-content/uploads/2023/05/Product-and-Service-Code-Guide-EN.pdf>]

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Other economic or financial requirements

Description of selection criterion: ACHILLES UTILITIES NCE is of indefinite duration, but supplier information must be updated annually. Suppliers already qualified on ACHILLES UTILITIES NCE will be reminded to renew before the qualification period expires. The annual qualification fee is ranging from EUR 270 to EUR 1210 payable in advance. Suppliers can update their information during the qualification period. Documentation requirements: Suppliers may apply for qualification at any time. To apply the suppliers must complete an Order Form and pay in advance an annual qualification fee between EUR 270 to 1210. The Order Form with qualification requirements can be obtained here <https://my.achilles.com/join-community?communitycode=UNC&lang=gb-EN>. To qualify the suppliers must complete an online questionnaire covering detailed information about their company. As some contracting authorities and contracting entities require an ESPD, the suppliers submit an ESPD via ACHILLES UTILITIES NCE. Basic commercial requirements must be satisfied. Some buying organisations have individual requirements in addition to the basic requirements. The suppliers can therefore be asked to answer customer-specific questions related to the qualification. ACHILLES UTILITIES NCE is open to manufacturers or distributors dealing directly with the buyer. The bidders lists will be based on suppliers that have passed the initial qualification. Basic commercial requirements for qualifying as a supplier in Achilles Utilities NCE are: <https://www.achilles.com/app/uploads/2023/05/UNCE-Qualification-Requirements-English.pdf>

10. Change

Version of the previous notice to be changed

:

d20d088c-4cd6-4544-9508-28d6850d6dea-01

Main reason for change

:

Information updated

Description

:

A new allowed submission language has been added: Norwegian (NOR). The description of the qualification criteria has been adjusted with a minor text presentation (the currency indication for the annual qualification fee has been clarified). The list of contracting authorities /entities has been significantly expanded with a large number of new entities, including from Denmark, Sweden, Finland, Germany, the Netherlands, Poland, Iceland and Norway (i.a. Energinet companies, Ørsted companies, Vattenfall companies, E.ON companies, Mälarenergi companies, Andel-selskaper etc.). As new entities are added to the list, the contact information (name, address, city, post code, email, telephone number and organisation number) for a number of the existing contracting authorities has been postponed/updated in the register.
