**VI.3. Additional information**

Etant donné qu'il s'agit d'un accord-cadre, cela implique que la passation du marché ne lie pas le pouvoir adjudicateur pour la commande définitive (pas de quantité minimale ni d'exclusivité). Le principe du présent accord-cadre est que le pouvoir adjudicateur désigne un seul adjudicataire par lot dans une première phase, sur base de prix unitaires et de quantités estimées, puis passe commande auprès de cet adjudicataire dans une deuxième phase.
