**II.1.2. Main CPV code**

72212224 Web page editing software development services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Sustainable Energy Authority of Ireland (SEAI) invites tenders to this request for tenders from economic operators for the provision of the following services: Provision of web as a fully managed service, including deploying and maintaining a secure, robust, accessible system with a focus on data driven solutions and an excellent user experience standard.

The successful Tenderer will provide the website as a fully managed service to include deploying and maintaining a secure, robust, accessible system with a focus on data driven solutions and an excellent user experience standard. High levels of governance and supporting SEAI website remit are critical requirements from any service provider. SEAI will be moving from the current ROXEN CMS to a new CMS, as recommended by the successful Tenderer.
