- The procurement falls outside the scope of application of the directive

Explanation:

The contracting authority has chosen to award the contract resulting from this call for tenders through a negotiated procedure without prior publication of a contract notice for reasons of extreme urgency brought about by unforeseeable events pursuant to Article 164(1) (d) and Annex I, Point 11.1(c) of the Financial Regulation. The number of newly infected people continued to rise after the release of the confinement measures in 2021. The vaccine against COVID-19 was expected in the first quarter of 2021 would be the most efficient prevention measure to avoid additional cases and fatalities. Utmost reactivity was strictly necessary to carry out this procurement procedure and to facilitate the appropriate preparedness for carrying out the COVID-19 massive vaccination campaign in the participating countries in the EU, EEA and Western Balkan countries. It was impossible to comply with the time limits set for the open or restricted procedures in the context of the ongoing COVID-19 outbreak and the reasons for urgency were outside the sphere of influence of the participating contracting authorities.
