Title: IT3223C - RFT for the Provision, Implementation, Maintenance and Support of Programme Module Catalogue for Technological University Dublin

Description: The solution will impact the application infrastructure of the University and will be required to integrate with the student Record Management system Banner 9. Information from the current PMC system requires migration into the proposed system, as appropriate, as part of the implementation of the project. It should be noted that Technological University Dublin was formed in January 2019, following the merger of the former Institute of Technology, Blanchardstown (ITB), Dublin Institute of Technology (DIT) and Institute of Technology, Tallaght (ITT). TU Dublin currently has three separately configured versions of its Student Records Management System (Banner) which will be unified under the Student Transformation project with the implementation of Banner 9 in 2025
