III.1.3. Technical and professional ability

List and brief description of selection criteria:

The Applicant may provide up to six (6) references which the Applicant finds most comparable with this invitation to tender, see Tender Conditions clause 1.4, and which alone or jointly meet the minimum requirements. See Tender Conditions clause 1.4 in relation to what the Contracting Authority understands as “a comparable” reference.

If more references are provided, the Contracting Authority will only assess the six (6) latest references. Latest references mean unconcluded references or references with termination closest to the application deadline. If more references are unconcluded, the Contracting Authority will (where relevant) assess the references with the latest commencement date. The references must have been carried out within the last three (3) years calculated from the date of the application deadline.

The Contracting Authority will disregard references concluded more than three (3) years before the application deadline.

For references with an older commencement date, but where services (part assignments) have been concluded within the last three (3) years, the Contracting Authority will only assess the services (part assignments) which the Applicant has performed within the last three (3) years calculated from application deadline. The Applicant is responsible for specifying the contents of the reference, so that the services (part assignments) in question are clearly stated. The references must contain the following:

1. Description: Description of the assignment(s) and part assignment(s) with focus on the elements which make the reference comparable to Tender Conditions clause 1.4 and compliant with the minimum requirements. The description may also contain information about the period(s) in which the assignment has been performed (start and conclusion dates).
2. Amount: The value of the assignment(s) in DKK, i.e. the amount paid by the customer for the performance of the assignment(s).
3. Date: Date for start-up (commencement date) and possible conclusion date of the most recent assignment listed under ‘Description’. For references which have not yet been concluded, the field ‘conclusion date’ is left blank/empty.
4. Recipients: Customer name incl. contact person and contact person’s telephone number.

Minimum level(s) of standards possibly required:

It is a minimum requirement that the Applicant holds at least three (3) reference containing delivery of ECAC/EU (minimum) std. 3.0 approved Explosive Detection Systems to a European Airport within the last three (3) years.
