### **II.2.4. Description of the procurement**

Snåsa municipality needs a contract for services for the collection, transport and treatment of septic sludge, as well as post-processing of sludge from municipal treatment plants.

The contracting authority

Innherrred Innkjøp is an inter-municipal collaboration between Steinkjer, Inderøy, Snåsa, Verdal and Levanger Municipalities, which was established on 01.01.2019. Inderøy Municipality takes care of the office municipality function, and is the formal employer for employees in Innherred Innkjøp.

The inter-municipal collaboration is organised as § Section 27 collaboration with a board that consists of the municipality directors in the participating municipalities.

The aim of the collaboration is to make rational, responsible, and efficient procurements on behalf of the municipalities.

We are assisting Snåsa Municipality in this procurement.

The contracting authority's contact person is:

Hilde Melhus.

Any questions are to be sent to the contact person via the tender management tool.

There is to be no contact/communication regarding the tender contest with other persons at the contracting authority than the named contact person.

Purpose of the procurement

Snåsa municipality would like to receive tenders for the following services:

Collection, transport and treatment of septic sludge, as well as post-processing of sludge from municipal treatment plants.
