2. Procedure

2.1. Procedure

Title: Tradesman services for the University Hospital of North Norway Health Trust.

Description: The objective of the procurement is to enter into service contracts in the area of Trade services for operation, maintenance and alteration work at the companies' institutions. The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.

Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents.

Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Guilty of grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

5.1. Lot: LOT-0003

Title: Sub-contract 3: Painting and coverings Narvik

Description: The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.

5.1. Lot: LOT-0006

Title: Sub-contract 6: Plumbing services Narvik

Description: The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.

5.1. Lot: LOT-0009

Title: Sub-contract 9: Ventilation Tromsø

Description: The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.

5.1. Lot: LOT-0012

Title: Sub-contract 12: Locks and fittings, access control Narvik

Description: The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.

5.1. Lot: LOT-0014

Title: Sub-contract 14: Kuldeteknisk Tromsø

Description: The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period.

There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.

5.1. Lot: LOT-0017

Title: Sub-contract 17: Asbestos clearance Harstad

Description: The service contracts per discipline are meant to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health authorities are not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.
