2. Procedure

2.1. Procedure

Title: 2026/21543 - Framework agreement for the purchase of office and health furniture

Description: Bodø, with accompanying operational units and municipal companies, needs to establish framework agreements for supplementary procurements of furniture. The objective of the procurement is to ensure the contracting authority's need for high quality office and health furniture and in a cost efficient, environmentally and socially responsible manner. The framework agreements shall support the municipality's need for continuous replacement and supplementing of furniture in different types of entities, including health and care institutions, office buildings and other municipal locations. To ensure good access to furniture within different categories, the competition is divided into the following two lots: Sub-contract 1: Office Furniture Lot Contract 2: Health Furniture Suppliers can submit tenders for one or both lots. The framework agreements will include supplementary procurements within relevant product areas for each sub-contract. The scope includes, but is not limited to, furniture for administration, workplaces, meeting rooms, common areas, patient and resident rooms, as well as other institution and service premises. See the contract including requirement specifications for further information on the contract's extent and content.
