II.2.3. Place of performance

NUTS code: NO020 Innlandet

II.2.4. Description of the procurement

Skjåk Municipality intends to enter into a framework agreement for electrical installation work for all of the contracting authority's buildings, sites and infrastructure for technical operations and maintenance with the accompanying material.

Electrical work means, amongst other things, work related to minor alterations, installations, changes, and maintenance work to existing buildings, both internally and externally.

The contract primarily comprises work/tasks that are practical to carry out on an hourly basis, but can also apply to work related to minor alterations and renovations.

The framework agreement also includes the procurement of electrical material.

The contracting authority reserves the right not to use the framework agreement supplier for major work on building projects and/or special assignments if the contract supplier cannot fulfil the contracting authority's needs. The contracting authority reserves the right to engage specialised competence for some deliveries if this proves to have clear advantages.

For further information on the contents of the procurement, please see section II annex 1.
