Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Framework agreement for Water and Sewage materials, street goods and concrete materials

Reference number: 2023027227

II.1.2. Main CPV code

44160000 Pipeline, piping, pipes, casing, tubing and related items

II.1.3. Type of contract

Supplies

II.1.4. Short description

Kristiansand municipality requests tenders for water and sewage materials and equipment, concrete products and street goods.

The contracting authority requests tenders for water and sewage material and equipment, which will mainly (but not exclusively) consist of:

Pressure, sewage, surface water, site, drainage and cable pipes and parts, concrete products, street goods etc.

The products are intended to be used in municipal engineering operations, maintenance and renovation, as well as for minor new installations carried out by the contracting authority.

The place of delivery for the products can be anywhere in the municipality. There can also be deliveries to pipeline routes operated by the municipality, but which are located outside the municipality's borders.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

44114220 Concrete pipes and fittings, 44114200 Concrete products, 44423700 Manhole elements

II.2.3. Place of performance

NUTS code: NO092 Agder

II.2.4. Description of the procurement

Many of the requested products in the competition shall be used for maintenance and repairs, or for extending existing sites and installations. For this reason concrete product brands (in some cases also the NRF numbers) are used for several of the products in order to ensure that they fit the existing installations both technically and aesthetically.

For some products the wording "or equivalent" is used in addition to the product brand and any NRF no. Here is the product brand and any. NRF no. stated here so that all tenderers shall have the same information on which products the contracting authority currently uses. It is possible

to offer other brands with equivalent functionality and qualities.

The description of the relevant products and product groups is given in annex 2- Products and Price Sheet. This annex must be completed and attached to the tender.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 48

This contract is subject to renewal: no
