2.1. Procedure

Title: DL 2026014186 Procurement AUTOLEASING

Description: The aim of the procurement is to establish a framework agreement that covers the Contracting Authority's need for leasing and administration of civil vehicles. The agreement shall cover most of the Contracting Authority's need for such vehicles. The vehicles shall be used by the Contracting Authority's personnel in daily operations, in meetings and travel activities and in connection with exercises and training. The leased vehicles shall be used in fixed and emerging needs.

Procedure identifier: 422a1f38-052a-4b9d-add5-fd77cc0043e1

Internal identifier: DL 2026014186 Anskaffelse AUTOLEASING

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The procurement's estimated financial value is NOK 1,100 million excluding VAT, including Options. The value of all contracts that the Contracting Authority expects to enter into during the framework agreement period is a maximum of NOK 1,430 million excluding VAT including options. The estimated financial value of the framework agreement is based on historical figures and the expected future use in accordance with the Contracting Authority's best judgement. The estimated financial value and maximum value does not involve any obligations to withdrawals or procurements over the framework agreement. The concrete call-offs depend on the users' changing needs in the framework agreement period. This will vary depending on several conditions, such as, for example, the number of exercises, operations etc. in the contract period.
