2.1. Procedure

Title: Essential Upgrade Works at SmartPly Europe DAC 26

Description: SMARTPLY Europe DAC is seeking expressions of interest from suitably qualified and experienced small to medium sized construction companies to undertake a number of minor construction work packages at its manufacturing facility in Belview, Slieveure, Waterford. The proposed works comprise a number of minor construction projects across the production facility, primarily addressing Health and Safety, Environmental and operational requirements. The works have been divided into four separate lots based on the nature and type of the projects. SMARTPLY Europe DAC has engaged Malone O Regan to assist with the preparation of the tender drawings and associated documentation to enable contractors to fully assess and price the required works. Full details of the scope of works are provided within the drawings and tender documentation issued as part of this package. The works are anticipated to commence in Q4 2026 and are expected to be completed over a period of approximately four months.
