II.1.4. Short description

Since 1995, the Ministry of Local Government and Regional Development has collected data about municipal organisations. A report has been submitted in connection with each collection of data. The Ministry of Local Government and Regional Development is planning an equivalent data collection in 2024, after the municipal council and county election in 2023. The purpose of the project is to obtain data that provides a picture of how the municipalities and counties are organising their business politically, administratively, operationally and in regard to the municipality as a democratic institution.

The upper financial limit for the procurement is up to NOK 3,000,000 excluding VAT, divided into up to 1,000,000 in 2023 and up to 2,000,000 in 2024. The project is expected to start when the contract is signed. Data collection will begin in the first half of 2024. The aim is to complete the report by 10 December 2024.

II.2.4. Description of the procurement

Since 1995, the Ministry of Local Government and Regional Development has collected data about municipal organisations. A report has been submitted in connection with each collection of data. The Ministry of Local Government and Regional Development is planning an equivalent data collection in 2024, after the municipal council and county election in 2023. The purpose of the project is to obtain data that provides a picture of how the municipalities and counties are organising their business politically, administratively, operationally and in regard to the municipality as a democratic institution.

The collection applies to both structural and procedural features of the municipalities organisation.

The data from the survey can be used by local, regional and central government administration, in the general public debate, in teaching and as a basis for further research on municipal and county organisation.

The upper financial limit for the procurement is up to NOK 3,000,000 excluding VAT, divided into up to 1,000,000 in 2023 and up to 2,000,000 in 2024. The project is expected to start when the contract is signed. Data collection will begin in the first half of 2024. The aim is to complete the report by 10 December 2024.

See annex 1 of the contract for further details.
