This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 121 571 774,88 NOK

II.2. Description

II.2.2. Additional CPV code(s)

71311000 Civil engineering consultancy services, 71322000 Engineering design services for the construction of civil engineering works

II.2.3. Place of performance

NUTS code: NO060 Trøndelag

II.2.4. Description of the procurement

The assignment is tunnelling and directional drilling of pipelines from Nidarvoll School and through Bratsbergvegen, and down under Sluppenvegen to the connection point by the E6 at Sulppen.

In addition there will be excavations for pipes through and along Bratsbergvegen.

A cycle path and pavement is to be established over a stretch of approx. 200 m along Bratsbergvegen in connection with the pipeline installations.

Green structure work on the east side of Bratsbergvegen, as well as some on the west side is also included in the work.

Amongst other things, a noise reduction screen is to be constructed along the cycle path towards to school area.

Progress planning and good coordination with other projects and authorities are important in this assignment.

There are two options in this project:

- 1) Handling polluted water in the construction pit
- 2) Classification of matter and a plan for handling matter

See Part II of the assignment description and the requirements specification and other annexes for further information.

II.2.5. Award criteria

Quality criterion - Name: Competence / Weighting: 20%

Quality criterion - Name: Assignment comprehension / Weighting: 30%

Price - Weighting: 50%

II.2.11. Information about options

Options: yes

Description of options:

This project includes the following options:

Handling polluted water in the construction pit.

Classification of matter and a plan for handling matter.

In addition, the contracting authority will have the unilateral right to exercise an option to extend the contract for a further 6 months on the same terms (in the event that the option extends beyond the normal contract period).

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2023/S 116-364344](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a periodic indicative notice

Section V: Award of contract

Title:

Turnkey contract - 330123/430129 Fredlybekken lower part, stage 4 Sluppen - directional drilling

A contract/lot is awarded: yes

V.2. Award of contract

V.2.1. Date of conclusion of the contract

18/08/2023

V.2.2. Information about tenders

Number of tenders received: 2

Number of tenders received from SMEs: 0

Number of tenders received from tenderers from other EU Member States: 2

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 2

The contract has been awarded to a group of economic operators: no

V.2.3. Name and address of the contractor

Official name: Søbstad AS

Postal address: Sandmovegen 22
Town: TILLER
NUTS code: NO060 Trøndelag
Postal code: 7093
Country: Norway
E-mail: firmapost@sobstad.no
Telephone: +47 72895959
The contractor is an SME: no

V.2.4. Information on value of the contract/lot

Total value of the contract/lot: 121 571 774,88 NOK

V.2.5. Information about subcontracting

V.2.6. Price paid for bargain purchases

Section VI: Complementary information

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

Official name: Trøndelag tingrett
Postal address: Postboks 2317 Torgarden
Town: Trondheim
Postal code: 7004
Country: Norway

VI.5. Date of dispatch of this notice

14/11/2023
