72222300 Information technology services

II.1.3. Type of contract

Services

II.1.4. Short description

The Petroleum Safety Authority Norway would like to enter into an IT sourcing contract for the operation of the Petroleum Safety Authority Norway's IT systems and making them available. The Petroleum Safety Authority Norway would like to enter into an IT sourcing contract with one tenderer that can provide the breadth of the specified services, possibly with the help of sub-suppliers.

Contract duration: 3 years with an option for 4 extensions for one year at a time.

Click here: <https://permalink.mercell.com/191699260.aspx>.

II.1.5. Estimated total value

Value excluding VAT: 49 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

72220000 Systems and technical consultancy services, 72514000 Computer facilities management services

II.2.3. Place of performance

NUTS code: NO0A1 Rogaland

II.2.4. Description of the procurement

The Petroleum Safety Authority Norway would like tenders for IT sourcing services for professional and secure operation of the Petroleum Safety Authority Norway's IT systems, and for making them available. The Petroleum Safety Authority Norway is increasingly moving towards the use of cloud service as part of its operational services, and the tender documentation and requirements specification reflect this.

The Petroleum Safety Authority Norway needs a tenderer that facilitates and manages the platforms that the Petroleum Safety Authority Norway must have delivered, not least as a basis for its trade applications. In addition the Petroleum Safety Authority Norway must have a supplier that can also provide services in a good way where proximity and on-site presence are required This concerns, for example, Local user support.

A detailed overview of the services that will be included in the delivery can found in the Requirements Specification (Annex 1 of the contract), point 2.2.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 49 000 000,00 NOK
