#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

#### **II.2.14. Additional information**

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

The tenderer/s who are chosen to sign a contract must document fulfilment of the qualification requirements in accordance with the stated documentation requirements before the contract is signed.

##### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

The financial implementation ability is required that will give the contracting authority assurance of a solid and secure delivery in the contract period.

Minimum level(s) of standards possibly required:

Credit rating equivalent to score A (credit worthy) or better, measured on the Bisnode Norge AS AAA rating system - or equivalent score from other reputable credit rating agencies. The rating must be based on the last known accounting figures and it must be carried out by a credit information agency with permissions thereof.

Newly started companies with a credit rating of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to submit a credit rating as documentation that the qualification requirement is satisfied. In such cases, this can be compensated by providing alternative documentation together with the tender.

##### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must have the organisation, site and equipment as well as adequate human resources necessary to carry out the assignment as described in the tender documentation. All contact persons and all personnel in contact with the Contracting Authority shall at least be able to communicate in English, but should preferably be in command of a Nordic language.

Minimum level(s) of standards possibly required:

Tenderers must have the organisation, site and equipment as well as adequate human resources necessary to carry out the assignment as described in the tender documentation. All contact persons and all personnel in contact with the Contracting Authority shall at least be able to communicate in English, but should preferably be in command of a Nordic language.
