The contract involves joint procurement

**I.4. Type of the contracting authority**

Ministry or any other national or federal authority, including their regional or local subdivisions

**I.5. Main activity**

General public services

## Section II: Object

---

### II.1. Scope of the procurement

#### II.1.1. Title

Area review of labour market measures

Reference number: 22/4359

#### II.1.2. Main CPV code

73000000 Research and development services and related consultancy services

#### II.1.3. Type of contract

Services

#### II.1.4. Short description

External assistance with the execution of an area review in the area of labour market measures is to be procured. The purpose of the area review is to obtain faster and more stable connection to the working lives of more people through more effective and knowledge-based use of labour market measures. The review will be an important contribution to systematising knowledge on which measures are effective for different user groups and identifying suggestions for how the Norwegian Labour and Welfare Administration (NAV) can use and develop knowledge at meetings with users.

The work will be carried out in two phases and will be completed by 1 December 2023. The work requires a close contract with the contracting authority and other stakeholders.

The estimated value of the contract is up to NOK 8 million excluding VAT. The estimated value is not binding for the contracting authority.

For a more detailed description of the assignment, see annex 1 of the contract (the contracting authority's description of the assignment).

#### II.1.6. Information about lots

This contract is divided into lots: no

#### II.1.7. Total value of the procurement

Value excluding VAT: 8 000 000,00 NOK

### II.2. Description

#### II.2.2. Additional CPV code(s)

73200000 Research and development consultancy services, 73210000 Research consultancy services, 73220000 Development consultancy services

#### II.2.3. Place of performance

NUTS code: NO081 Oslo

Main site or place of performance: Oslo

#### II.2.4. Description of the procurement

External assistance with the execution of an area review in the area of labour market measures is to be procured. The purpose of the area review is to obtain faster and more stable connection to the working lives of more people through more effective and knowledge-based use of labour market measures. The review will be an important contribution to systematising knowledge on which measures are effective for different user groups and identifying suggestions for how the Norwegian Labour and Welfare Administration (NAV) can use and develop knowledge at meetings with users.

The work will be carried out in two phases and will be completed by 1 December 2023. The work requires a close contract with the contracting authority and other stakeholders. The estimated value of the contract is up to NOK 8 million excluding VAT. The estimated value is not binding for the contracting authority. For a more detailed description of the assignment, see annex 1 of the contract (the contracting authority's description of the assignment).
