Description

:

Chalmers announces the following change and clarification of requirement 2.8.3: The response field states incorrectly: The Tenderer must attach one reference assignment with custom-specific hardware and software solutions in the area of industrial automation. Customer (name of organisation) Contact person (name, e-mail, phone) Short description of delivered solution. Time of delivery. Chalmers now announces the following, the tenderer must respond by providing the following evidence in the annex to meet the requirement: The supplier must attach a description that shows that the requested competence exists. The information must clearly state: - relevant reference assignment(s) and how it/these are linked to the competence requirement so that these can be verified. - brief description of the nature of the assignment. - brief description of the company's role in the implementation of the assignment.
