2.1.2 Place of performance

Country: Norway

Anywhere in the given country

Additional information: Lillehammer, Gausdal and Øyer (option) municipalities.

2.1.3 Value

Estimated value excluding VAT: 120,000,000 NOK

2.1.4 General information

Legal basis:

Directive 2014/24/EU

2.1.6 Grounds for exclusion

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the enforceable verdict been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies?

Corruption as defined in Article 3 of the convention on corruption, involving servicemen in the European Communities or in European Union member states (EUT C 195 of 25.6.1997, s. 1) and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the legally enforceable verdict been convicted of participation in a criminal organisation by a verdict handed down not more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 in article 2 of The Council's framework decision 2008/841/RIA of 24 October 2008 on combating organised crime (EUT L 300 of 11.11.2008, p. 42)

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event of a legal verdict been convicted of money laundering or financing terrorism by a judgement handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Wedding money or financing terrorism As a rejection period determined directly in the judgement that still applies? White money or financing terrorism. defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the legally enforceable verdict been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Speed as discussed in Article 1 of the convention on protection of the European Communities' financial interests (EFT C 316 of 27.11.1995, p. 48).

Child labour and other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, at a legally enforceable verdict been convicted of child labour and other forms of human trafficking by a judgement handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies?

Barnearbeid and other forms of human trafficking as defined in the judgement that still applies?

Barnetworks and other forms of human trafficking as defined in the judgement that still applies?

Barnetworks and other forms of human trafficking as defined in the judgement that still applies?

Barnearbeid and other forms of human trafficking as defined as defined in the judgement that still applies? Barnearbeid and other forms of human trafficking as defined in the judgement that still

applies?<p>Barnetworks and other forms of human trafficking as defined in the judgement that still applies?<p>Barnearbeid as well as other forms of human trafficking as defined as defined in the judgement?<p article 2 of the European Parliament and the Council's directive 2011/36/EU of 5. April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).</p> Purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activity by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies?<p>

Terrorist acts or punishable acts of terrorism. acts relating to terrorist activity as defined in Articles 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.</p>

5.1.2 *Place of performance*

Country: Norway

Anywhere in the given country

Additional information: Lillehammer, Gausdal and Øyer (option) municipalities.

5.1.3 *Estimated duration*

Start date: 2024-02-01Z

End date: 2025-02-01Z

5.1.5 *Value*

Estimated value excluding VAT: 120,000,000 NOK

5.1.6 *General information*

Reserved participation: Participation is not reserved.

Procurement Project not financed with EU Funds.

5.1.9 *Selection criteria*

Criterion:

Type: Economic and financial standing

Name: Financial key figures

Description: The tenderer's ("total") annual turnover for the number of financial years requested in the tender notice or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average annual turnover

Description: The tenderer's average annual turnover for the number of years requested in the notice or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: "Specific annual turnover"

Description: Are the tenderer's ("specific") annual turnover within the area that the contract applies to and specified in the notice or in the procurement documents for the number of accounting years requested is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average set-up

Description: Is the tenderer's average annual turnover within the area requested by the contract and specified in the notice or in the procurement documents for the number of financial years requested:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: The tenderer's establishment date

Description: If the information about the turnover (combined or specific) is not available for the entire requested period, please state the date the company was established, or the tenderers started their business:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Financial key figures

Description: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. The rating shall be three or better. Documentation requirement: The contracting authority will obtain a credit rating from Experian. A minimum of rating 3 is required. Foreign tenderers must confirm their financial solidity equivalent. Tenders can be assessed if the company is recently established, if the tenderer in another way than accounts can substantiate financial solidity.

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: Liability insurance

Description: The insured amount in the tenderer's liability insurance is the following:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Other economic and financial requirements

Description: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that:

Use of this criterion: Not used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for quality assurance standards.

Description: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Tenderers shall document or give a detailed description of their quality assurance system. Or ISO certification or other quality standards can be enclosed.

Use of this criterion: Used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for environmental management standards.

Description: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Description of the company's routines and systems for environmental management. If procedures are described in the company's quality or environment management system in accordance with ISO 14001, Miljøfyrtårn or equivalent third-party verified systems, a valid certificate shall be presented.

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register or company register.

Description: Tenderers are registered in a professional register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register or company register.

Description: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Documented by a company registration certificate from the Brønnøysund Register Centre.

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: In the case of service contracts: Authorisations from a particular organisation required

Description: Is a specific authorisation required from a particular organisation to provide the service in the tenderer's home country?

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: In the case of service contracts: Membership in a particular organisation is required

Description: Is it necessary to have a particular membership in a particular organisation in order to provide the service in the tenderer's home country?

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Services only

Description: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical personnel or technical units

Description: Tenderers can use the following technical personnel or technical units, particularly those who are responsible for quality control: For technical personnel or technical units that do not directly belong to the tenderer's business, but if the capacity the tenderer will use, cf. part II, section C, separate ESPD forms shall be supplemented.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical facilities and quality assurance measures

Description: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Investigation and research facilities

Description: The tenderer's survey and research facilities are as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Management and tracing of the supply chain

Description: The tenderer will be able to use the following management of the supply chain and tracing systems for the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Control Permission

Description: For goods or services that are complicated, or that in exceptional cases shall be used for a particular purpose: Will the tenderer allow checks of the tenderer's production capacity or technical capacity and, where necessary, of the survey and research facilities that the tenderer has at its disposal and of quality control measures? The inspections shall be undertaken by the contracting authority or the contracting authority can leave it to a competent public body in the country where the tenderer is established.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Education and professional qualifications

Description: The following education and professional qualifications are possessed by the tenderer and /or (depending on the requirements set in the notice or in the procurement documents) of the leading employees:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Environmental management measures

Description: Tenderers can employ the following environmental management measures in connection with the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Number of employees in the management

Description: The tenderer's number of employees in the management during the last three years was as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Average workforce

Description: The tenderer's average annual workforce in the last three years has been as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Tools, materials and technical equipment.

Description: Tenderers can use the following tools, material and technical equipment to carry out the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Portion of the contract to sub-suppliers.

Description: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above.

Use of this criterion: Not used

5.1.10 Award criteria

Criterion:

Type: Price

Name: Price

Description: 40%

Criterion:

Type: Quality

Name: Offered personnel

Description: 60%
