Internet address(es):

Main address: <http://www.aalborgforsyning.dk>

I.6. Main activity

Electricity

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Major overhaul of HP/IPO turbine

II.1.2. Main CPV code

50000000 Repair and maintenance services

II.1.3. Type of contract

Services

II.1.4. Short description

This procurement procedure concerns the award of a Contract regarding the execution of a major overhaul of the 410 MW Alstom GEC HP-IP0 steam turbine at Nordjyllandsværket uni 3 (NJV3) in 2023. The execution and the award of the Contract require Tenderers, who are able to complete a major overhaul of the turbine, including the following main Scope of Supply:

- Major overhaul of the HP-IP0 turbine
- Commissioning of the unit, including vibration measurements and verification tests, and
- Supply of new spare parts.

The project has already been divided into lots as the critical spare parts have already been procured.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 1 500 000,00 EUR

II.2. Description

II.2.2. Additional CPV code(s)

42112000 Turbine installations, 42112100 Steam turbines, 42113000 Parts of turbines, 42113100 Parts of steam turbines, 45315200 Turbine works, 51130000 Installation services of steam generators, turbines, compressors and burners, 51133000 Installation services of turbines

II.2.3. Place of performance

NUTS code: DK05 Nordjylland

Main site or place of performance: Vodskov, Nordjylland

II.2.4. Description of the procurement

A major overhaul of the 410 MW Alstom GEC HP/IP0 steam turbine at Nordjyllandsværket unit 3 (NJV3) is needed in 2023 in order to ensure reliable, safe and efficient operation of the unit and to provide district heating. The unit was commissioned in 1990 and is expected to be decommissioned at the latest in 2028.

The unit is expected to be out of operation from ultimo May, 2023 and the major overhaul must start immediately after the cooling down period.

The Scope of Supply includes the following main activities:

• The Basic Scope of Supply consists of:

- Major overhaul of the HP/IP0 turbine including inspection of crossover pipes
- Commissioning of the unit including vibration measurements and verification tests

• Optional Scope of Supply (see II.2.11 for more details) which consists of:

- Options that can be ordered before the outage
- Options that can be ordered during the outage based on fact-findings and evaluations

• Additional supply which can consist of:

- Extra works, which can be based on a fixed price or the Contractors hourly rates
- Refurbishment of used components, supply of new spare parts or machining of components

• Basic deliveries and tasks:

- Manpower
- Delivery of spare parts
- Delivery of tools not available at NJV
- Delivery of consumables
- On-site and off-site transport
- Erection and dismantling of scaffolding
- Removal and assembly of insulation
- Cleaning and blasting of components
- Perform NDT
- Reports and documentation.

Please see the Technical Specification for a more detailed description of the Scope of Supply.

Please see the Instructions to Tenderers, the Contract draft and the General Conditions for more information regarding the commercial terms and conditions.

II.2.5. Award criteria

Quality criterion - Name: Technical solutions and execution / Weighting: 35 %

Quality criterion - Name: Corporate Social Responsibility / Weighting: 20 %

Quality criterion - Name: Time Schedule / Weighting: 15 %

Price - Weighting: 30 %

II.2.11. Information about options

Options: yes

Description of options:

Optional scope of supply as stated in Appendix 2 - Tender List and Appendix 9 - Optional Spare Parts.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Negotiated procedure with prior call for competition

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2022/S 073-196841](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a periodic indicative notice

Section V: Award of contract

Title:

Major Overhaul of the Alstom GEC HP-IP0 steam turbine at Nordjyllandsværket unit 3 (NJV3) in 2023

A contract/lot is awarded: yes

V.2. Award of contract

V.2.1. Date of conclusion of the contract

22/12/2022

V.2.2. Information about tenders

Number of tenders received: 2

Number of tenders received from SMEs: 0

Number of tenders received from tenderers from other EU Member States: 2

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 2

The contract has been awarded to a group of economic operators: yes

V.2.3. Name and address of the contractor

Official name: TGS Sweden AB

National registration number: SE559288935501

Postal address: Terminalvägen 26

Town: Västerås

NUTS code: SE Sverige

Postal code: 721 36

Country: Sweden

The contractor is an SME: no

V.2.3. Name and address of the contractor

Official name: Fortum Sverige AB

National registration number: 556006-8230

Postal address: Rättarvägen 3

Town: Solna

NUTS code: SE Sverige

Postal code: 169 68

Country: Sweden

The contractor is an SME: no

V.2.4. Information on value of the contract/lot

Initial estimated total value of the contract/lot: 1 500 000,00 EUR

Total value of the contract/lot: 1 256 428,00 EUR

V.2.5. Information about subcontracting

V.2.6. Price paid for bargain purchases

Section VI: Complementary information

VI.3. Additional information

The Price in V.2.4) is the calculated Evaluation price. The price is based on the weighted probability of each price element, since the purchase of the optional scope of supply, optional spare parts and additional works will not be known until the actual Major overhaul is performed and the Turbine will be opened.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Klagenævnet for Udbud

Postal address: Toldboden 2

Town: Viborg

Postal code: 8800

Country: Denmark

E-mail: kflu@naevneneshus.dk

Telephone: +45 72405600

Internet address: <https://naevneneshus.dk/start-din-klage/klagenaevnet-for-udbud/>

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

According to the Danish Act on the Complaints Board for Procurement, etc. (LBK No 593 of 2.6.2016), the following deadlines apply for submission of complaint:

Complaints about not being prequalified must be submitted to the Complaints Board for Procurement within 20 calendar days from the day after the day on which the contracting authority has sent a notification to the affected candidates about who has been prequalified if the notification has stated a brief account of the relevant reasons for the decision, cf. § 7(1) of the said act.

Complaints about the award of the contract must be made to the Complaints Board within 45 days after the contracting authority has published a notice in the Official Journal of the European Union stating that the contracting authority has concluded a contract. The deadline is calculated from the day on which the notice is published.

Not later than the time a complaint is lodged with the complaints board for invitation to tender, the complainant must notify the contracting authority in writing that the complaint has been submitted to the complaints board for procurement and whether the complaint has been filed in the standstill period, cf. § 6(4). In cases where the complaint has not been lodged during the standstill period, the complainant must also indicate whether a suspensive effect is requested from the complaint, cf. § 12(1).

VI.4.4. Service from which information about the review procedure may be obtained

Official name: Konkurrence- og Forbrugerstyrelsen

Postal address: Carl Jacobsens Vej 35

Town: Valby

Postal code: 2500

Country: Denmark
