II.1.4. Short description

Bergen Municipality, c/o the Agency for Sports, would like to procure a lighting control system for floodlights at our outdoor sports facilities. We need a total supplier to carry out the delivery and provide continuing services.

The purpose of the procurement is to be able to remotely control a flood light system in a way that is easy for employees of the municipality, but also in such a way that external users can

turn on the lights using the system. Here, external users will be coaches and team managers in organised sports affiliated with Bergen municipality.

In addition, a lighting control system will make energy use more efficient and reduce light pollution in the areas around the flood light systems.
