It is important to note that only persons who have downloaded and accepted a document can upload a submission. The Contracting

Authority is using the Tender Postbox facility and tenders must be submitted electronically via the eTenders postbox facility on www.etenders.gov.ie only. Only Tenders submitted to the electronic postbox will be accepted. Tenders submitted by any other means (including but not limited to by email, fax, post or hand delivery) will not be accepted. Tenderers must ensure that they give themselves sufficient time to upload and submit all required tender documentation before the Tender Deadline. Tenderers should consider the fact that upload speeds vary. To submit a document to the electronic postbox, please note that tenderers must click "Submit Response". After submitting tenderers can still modify and re-send their response up until the response deadline. Tenderers should be aware that the 'Submit Response' button will be disabled automatically upon the expiration of the response deadline.

Tenderers not familiar with uploading on eTenders should ensure they familiarise themselves with the process prior to the submission deadline. All queries regarding this tender should be through the Questions and Answers facility on www.etenders.gov.ie, including any omissions which would prevent tenderers from submitting a comprehensive tender. Please submit queries as soon as possible. In circulating responses, queries will be edited to avoid disclosing the identity of the querist and will be circulated to all parties who have expressed an interest in the procurement on the eTenders website. The Contracting Authority reserves the right, at its sole discretion, to extend the closing date for receipt of tenders by giving notice in writing (by post or electronic means) to all parties who have expressed an interest in the notice via eTenders no later than six days before the original closing date.
