5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document Request, Notice
Criterion: Enrolment in a trade register
Description of selection criterion: Tenderers shall be registered in a company register, professional register or a commerce register in the country where the tenderer is established.
Documentation: Norwegian companies shall enclose a Company Registration Certificate. Foreign companies shall enclose proof that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Criterion: Other economic or financial requirements
Description of selection criterion: Tenderers must have sufficient economic and financial capacity to fulfil the contract. Turnover, solidity, debt ratio and liquidity in particular will be assessed. Documented by: A credit rating based on the most recent financial figures. Tenderers shall submit a credit rating from a certified credit rating company. The contracting authority reserves the right to obtain credit appraisal itself (the contracting authority uses Experian). If a tenderer refers to documentation from sub-suppliers to document fulfilment of the requirements for economic and financial qualifications, in addition to the documentation that the qualification requirement is fulfilled, a commitment statement or other documentation from the sub-supplier must be presented that shows that the tenderer can use the offered resources. If the tenderer relies on other entities to fulfil the requirements for economic and financial standing, the contracting authority requires that they are joint and severally liable for the execution of the contract. Documentation: A signed commitment statement from the relevant sub-supplier(s), or other documentation from the sub-contractors that shows that the tenderer can use the offered resources. Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have sufficient experience from assignments with comparative value. Documentation: Description of the tenderer's most important assignments with the most transferable value in the last three (3) years. The description must include a statement of the contracting authority, name of reference at the contracting authority with a statement of telephone number and email address, name of the assignment, the assignment´s value/project cost/contract value of the tenderer and the relevance of the assignment as seen in connection with what is stated in this qualification requirement. The contracting authority reserves the right to contact the references in order to verify these. If a tenderer refers to documentation from sub-suppliers to document fulfilment of the requirements for technical and professional qualifications, in addition to the documentation that the qualification requirement is fulfilled, a commitment statement, or other documentation, must be enclosed from the sub-supplier demonstrating that the tenderer can use the offered resources. Please note that if the tenderer relies on other organisations to fulfil the requirements for technical and professional qualifications, these entities shall carry out the work that requires such qualifications. Documentation: A signed commitment statement from the relevant sub-supplier(s), or other documentation from the sub-contractors that shows that the tenderer can use the offered resources. Annex 06 - Commitment Statement can be used if relevant. Please note that organisations that the tenderer will use shall submit separate and signed self-declaration forms (ESPD).
