2. Procedure

2.1. Procedure

Title: Framework agreement for playground inspections
Description: The aim of the procurement is to enter into a contract with a tenderer who, efficiently and with high quality, carries out inspections of the contracting authority´s playgrounds and training parks in accordance with the regulations on safety in playground equipment (FOR-1996-07-19-703). As a part of the framework agreement, individual or extraordinary inspections shall be ordered. Playgrounds means playgrounds at schools and nurseries, fitness parks, parks outside the library, ballbingers, skateparks, parkour parks, boulder walls and target cages.
Procedure identifier: 62fd52d7-f64e-4a35-b582-2bfde7fd5e0b
Internal identifier: Lillestrøm-26/120
Type of procedure: Open
The procedure is accelerated: no
Main features of the procedure: The procurement will be made in accordance with the Public Procurement Act dated 17.06.2016 no. 73 and the public procurement regulations dated 12.08.2016 no. 974, part I and III, as well as the provisions stated in this tender documentation. The competition will be held as an open tender contest. All interested tenderers can submit tenders in an open tender contest. Negotiations are not allowed in this competition. Tenders cannot, therefore, be changed after the tender deadline has expired. Tenderers are therefore strongly encouraged to follow the instructions given in this tender documentation with annexes and possibly ask questions about uncertainties.

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.
Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority´s decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?
Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?
Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?
Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?
Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?
Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?
Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
