II.2.11. Information about options

Options: yes

Description of options:

Variation up to the fifth of the import of the contract: if in course of execution it becomes necessary an increase or a decrease of the services up to the fifth of the import of the contract, the contracting authority can impose on the contractor the execution under the conditions originally provided. In this case the contractor cannot rely on the right to the resolution of the contract.

Option of extension: This Administration reserves the right to extend the supply, in the sense of art. 120, paragraph 1, letter a) of D. Lgs. 36/2023 for a quota equal to 200%.

In the case in which the Contracting Authority decides to avail itself of the option of extension, it can require the contractor to configure the equipment also differently with respect to the base configuration indicated in the present tender in order to allow the use of the same in different surgical specialties. Such variations of configuration and the relative imports must be agreed between the parties.

The option can be exercised within 24 months following the award of the procedure.
