#### Legal basis:

Directive 2014/24/EU

Anskaffelsesforskriften -

### 2.1.6. Grounds for exclusion

Analogous situation like bankruptcy under national law: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been

convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Guilty of grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

### 5.1.9. Selection criteria

Criterion:

Type: Economic and financial standing

Name: 'Total' annual turnover

Description of selection criterion: The tenderer's ("total") annual turnover for the number of financial years requested in the tender notice or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average annual turnover

Description of selection criterion: The tenderer's average annual turnover for the number of years requested in the notice or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: "Specific annual turnover"

Description of selection criterion: Are the tenderer's ("specific") annual turnover within the area that the contract applies to and specified in the notice or in the procurement documents for the number of accounting years requested is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average set-up

Description of selection criterion: Is the tenderer's average annual turnover within the area requested by the contract and specified in the notice or in the procurement documents for the number of financial years requested:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: The tenderer's establishment date

Description of selection criterion: If the information about the turnover (combined or specific) is not available for the entire requested period, please state the date the company was established, or the tenderers started their business:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Financial key figures

Description of selection criterion: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Liability insurance

Description of selection criterion: The insured amount in the tenderer's liability insurance is the following:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Other economic and financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Qualification requirement: Tenderers shall have the necessary economic and financial capacity to fulfil the framework agreement. It is sufficient to fulfil the requirement that the tenderer has achieved the credit rating of "credit worthy" or equivalent. If a tenderer will use the capacity of other companies to fulfil this requirement, the Contracting Authority requires that they are joint and severally liable for the execution of the framework agreement. Documentation requirement: Credit rating from a certified credit rating company based on the last known accounting figures. The assessment must not be more than

three months old. If a tenderer has a justifiable reason for not submitting the documentation required by the Contracting Authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems suitable.

Use of this criterion: Used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for quality assurance standards.

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Qualification requirement: Tenderers shall have a quality assurance system that as a minimum shall contain that the Tenderer has procedures to ensure that all laws and regulations, such as the part of the entity that shall work with this contract are covered, are complied with. Documentation requirement: A description of the tenderer's quality assurance methods. If the tenderer is certified in accordance with ISO 9001 or equivalent standards, it is sufficient to submit a copy of a valid certificate to fulfil this. Qualification requirement: Tenderers shall have a system for following-up ethical trade. The system shall ensure that the tenderer is suitable for fulfilment of the contractual obligations in Annex G for ethical trade, and as a minimum shall include: - Partial requirement no. 1 – Traceability in the supplier chain: If the tenderer uses sub-supplier(s) to fulfil this framework agreement, the tenderer shall have a system to ensure traceability in the supply chain, which at any given time gives the tenderer an overview of which sub-suppliers are involved in the production and in which countries these are localised. - Sub-requirement no. 2.1 – Guidelines for Ethical Trade: Ethical Guidelines/Code of Conduct which as a minimum corresponds with the Contracting Authority's ethical requirements in Annex G – Ethical Requirement point 1. Partial requirements no. 2.2 - Anchoring and implementation in the supplier chain(s): If a tenderer uses sub-supplier(s) to fulfil this framework agreement, the Ethical Guidelines/Code of Conduct shall be rooted and implemented in the supplier chain(s) for products that are delivered over this framework agreement. Documentation requirement: If the tenderer uses sub-supplier(s) to fulfil this framework agreement, the tenderer for sub-requirement no. 1 must fill in a description of the supplier chain for three selected products in part 1 Annex 3B - Qualification Requirement ethical trade. Tenderers shall, for sub-requirement no. 2.1, enclose the tenderer's Ethical Guidelines/Code of Conduct. The tenderer's Ethical Guidelines/Code of Conduct can be in English. In addition tenderers shall fill in the conformity matrix in part 1 Annex 3B - Qualification Requirement ethical trade. If the tenderer uses sub-supplier(s) to fulfil this framework agreement, sub-requirement no. 2.2 shall submit a declaration that the tenderer's Ethical Guidelines/Code of Conduct is anchored and implemented in the supplier chain(s) for products that are delivered over this framework agreement.

Use of this criterion: Used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for environmental management standards.

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Qualification requirement: Tenderers shall have a documented and valid environmental management system with routines and structure that shows how the tenderer safeguards relevant environmental considerations connected to the services that are provided. The system must

be connected to executive unit(s), and shall as a minimum contain: 1. an environmental policy 2. Overview of the most significant environmental impacts (environmental aspects) from the company. 3. proof that the company sets environmental requirements for sub-suppliers 4. A description of the organisation and responsibility distribution of the environmental work. 5. Description of the company's stand-by for handling stand-by situations at risk for unfavourable environmental impacts. 6. Description of the resources necessary to establish, implement, maintain and continually improve the management system for the environment.

Documentation requirement: A description of the environmental management measures that have been implemented in the company, which show that the system contains the mentioned points. If the tenderer is certified in accordance with ISO 14001, Miljøfyrtårn, EMAS or equivalent standards, it is sufficient to present a copy of a valid certificate.

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register

Description of selection criterion: Tenderers are registered in a professional register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register or company register.

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Qualification requirement: Tenderers shall be registered in a company register, professional register or a commerce register in the country where the tenderer is established. This requirement must be fulfilled by the Tenderer himself and cannot be fulfilled by using sub-suppliers. Foreign tenderers must submit an equivalent certificate from their own country that shows that the tenderer is registered in a company register, trade register or a commerce register in the country where the tenderer is established. If the authorities in the relevant country do not issue such certificates, the tenderer shall submit a statement which states that the tenderer is registered in a company register, trade register or a commerce register in the country where the tenderer is established.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Only for public goods deliveries

Description of selection criterion: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Qualification requirement: Tenderers shall have good experience from similar deliveries. Similar deliveries means the delivery of material for sports, training and rehabilitation - consumables. Documentation requirement: Overview of

the tenderer's three most relevant contracts in the course of the last three years. In order to ensure sufficient competition, documentation for deliveries that the tenderer has carried out more than three years ago can be considered. The overview must include a statement of the assignment's value, date, recipient and a short description of the delivery. It is the tenderer's responsibility to document relevance through the description.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Technical personnel or technical units

Description of selection criterion: Tenderers can use the following technical personnel or technical units, particularly those who are responsible for quality control: For technical personnel or technical units that do not directly belong to the tenderer's business, but if the capacity the tenderer will use, cf. part II, section C, separate ESPD forms shall be supplemented.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical facilities and quality assurance measures

Description of selection criterion: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Investigation and research facilities

Description of selection criterion: The tenderer's survey and research facilities are as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Management and tracing of the supply chain

Description of selection criterion: The tenderer will be able to use the following management of the supply chain and tracing systems for the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Control Permission

Description of selection criterion: For goods or services that are complicated, or that in exceptional cases shall be used for a particular purpose: Will the tenderer allow checks of the tenderer's production capacity or technical capacity and, where necessary, of the survey and research facilities that the tenderer has at its disposal and of quality control measures? The inspections shall be undertaken by the contracting authority or the contracting authority can leave it to a competent public body in the country where the tenderer is established.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Education and professional qualifications

Description of selection criterion: The following education and professional qualifications are possessed by the tenderer and/or (depending on the requirements set in the notice or in the procurement documents) of the leading employees:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Number of employees in the management

Description of selection criterion: The tenderer's number of employees in the management during the last three years was as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Average workforce

Description of selection criterion: The tenderer's average annual workforce in the last three years has been as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Tools, materials and technical equipment.

Description of selection criterion: Tenderers can use the following tools, material and technical equipment to carry out the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Portion of the contract to sub-suppliers.

Description of selection criterion: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Procurement of goods: Requested samples, descriptions or photographs that do not need to be accompanied by certificates that they are genuine.

Description of selection criterion: Procurement of goods: The tenderer presents supplies that shall be delivered, requested samples, descriptions or photographs, which do not need to be accompanied by certificates that they are genuine.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Procurement of goods: Requested samples, descriptions or photographs with certificates.

Description of selection criterion: When procurement of goods: If requested, the tenderer further declares that they will deliver the requested certificates that they are genuine.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: When procuring goods: Certificates issued by official bodies for quality control

Description of selection criterion: Can tenderers submit the requested certificates issued by official bodies for quality control, and who can confirm that the goods, which are clearly identified by reference to technical specifications or standards, as determined in the notice or in the procurement documents, are in accordance with these?

Use of this criterion: Not used
