II.2.4. Description of the procurement

Kristiansand municipality wishes to enter into a framework agreement for the delivery of protective equipment and workwear to the Park Service, Engineering service, Building service Operation and Parking in Kristiansand municipality.

this framework agreement is obligatory for the Park Service, Engineering service, Building service Operation and Parking.

The framework agreement is not mandatory for the Sports Unit in Kristiansand municipality.

However, the Sports Unit shall also have the opportunity to make call-offs against the framework agreement. Other employees in the municipality can, at times, place an order under the agreement.

It shall also be possible to add a logo to several of the products.

Kristiansand Municipality would like employees that are included in this framework agreement to primarily order requested products in Annex 02 - Product and Price Sheet, which is something that the employees will also be encouraged to do. On the other hand, the municipality also requests a discount for the rest of the product range. This is because it is preferable that the employees are able to choose from different options to ensure that they get products that are suited to their needs. For further information, refer to Annex 02 - Product and Price Sheet and the requirements under the "Requirements" tab in Mercell.
