

Finland – Seismic equipment – Marine Multichannel Seismic System**OJ S 248/2024 20/12/2024****Contract or concession notice – standard regime****Supplies****1. Buyer**

1.1. Buyer

Official name: Geologian tutkimuskeskus

Email: kilpailut@gtk.fi

Legal type of the buyer: Central government authority

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: Marine Multichannel Seismic System

Description: GTK intends to procure a Multichannel Seismic system for marine geological surveys conducted mainly on GTK's survey vessel in the Baltic Sea environment. The system consists of a Source, a Streamer, and a Depth Control system. The offer may contain one or several items, which will be weighted and evaluated independently. The requested options for any of these items are non-mandatory. Part 1: SOURCE Description: Impulsive seismic sound source operated with pressurized air. Part 2: STREAMER Description: A multichannel seismic (MCS) streamer with 1 meter spaced single hydrophone channels. Part 3: DEPTH CONTROL Description: Streamer depth control system for 96-channel MCS streamer system The delivery address for supplies is DDP at GTK, Keimola warehouse Vestrantie 2C, 01750 Vantaa, Finland.

Procedure identifier: d44f085a-8568-465c-b7bf-b8dd20fb1d61

Internal identifier: GTK/748/02.03.01/2024

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: An open procedure is a procurement procedure in which the contracting entity publishes a contract notice and makes available a call for tenders and where all willing suppliers can bid.

2.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 38293000 Seismic equipment

2.1.2. Place of performance

Anywhere in the European Economic Area

2.1.4. General information

Legal basis:

Directive 2014/24/EU

2.1.6. Grounds for exclusion

Analogous situation like bankruptcy under national law: The economic operator is in any analogous situation like bankruptcy arising from a similar procedure under national laws and regulations.

Bankruptcy: The economic operator is bankrupt.

Corruption: The economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for corruption, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable.

Arrangement with creditors: The economic operator is in arrangement with creditors.

Participation in a criminal organisation: The economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for participation in a criminal organisation, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable.

Agreements with other economic operators aimed at distorting competition: The economic operator has entered into agreements with other economic operators aimed at distorting competition.

Breaching of obligations in the fields of environmental law: The economic operator has breached its obligations in the field of environmental law.

Money laundering or terrorist financing: The economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for money laundering or terrorist financing, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable.

Fraud: The economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for fraud, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable.

Child labour and other forms of trafficking in human beings: The economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for child labour and other forms of trafficking in human beings, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable.

Insolvency: The economic operator is the subject of insolvency or winding-up.

Breaching of obligations in the fields of labour law: The economic operator has breached its obligations in the field of labour law.

Assets being administered by liquidator: The assets of the economic operator are being administered by a liquidator or by the court.

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: The economic operator can confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of the contracting authority or

contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award.

Purely national exclusion grounds: Any person who is a member of the economic operator's administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for work safety offence, working hours offence, work discrimination, extortionate work discrimination, violation of the right to organise or unauthorised use of foreign labour.

Conflict of interest due to its participation in the procurement procedure: The economic operator is aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure.

Direct or indirect involvement in the preparation of this procurement procedure: The economic operator or an undertaking related to it has advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure.

Guilty of grave professional misconduct: The economic operator is guilty of grave professional misconduct.

Early termination, damages or other comparable sanctions: The economic operator has experienced that a prior public contract, a prior contract with a contracting entity or a prior concession contract was terminated early, or that damages or other comparable sanctions were imposed in connection with that prior contract.

Breaching of obligations in the fields of social law: The economic operator has breached its obligations in the field of social law.

Payment of social security contributions: The economic operator has breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment.

Business activities are suspended: The business activities of the economic operator are suspended.

Payment of taxes: The economic operator has breached its obligations relating to the payment of taxes, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment.

Terrorist offences or offences linked to terrorist activities: The economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein has been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable.

5. Lot

5.1. Lot: LOT-0001

Title: SOURCE

Description: Description: Impulsive seismic sound source operated with pressurized air. The delivery address for supplies is DDP at GTK, Keimola warehouse Vestrantie 2C, 01750 Vantaa, Finland.

Internal identifier: GTK/748/02.03.01/2024 Source

5.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 38293000 Seismic equipment

5.1.2. Place of performance

Anywhere in the European Economic Area

5.1.3. Estimated duration

Other duration: Unknown

5.1.6. General information

Reserved participation: Participation is not reserved.

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): yes

This procurement is also suitable for small and medium-sized enterprises (SMEs)

5.1.7. Strategic procurement

Approach to reducing environmental impacts: The transition to a circular economy

Approach to reducing environmental impacts:

The protection and restoration of biodiversity and ecosystems

Innovative objective:

The procured works, supplies or services are novel or significantly improved compared to other works, supplies, or services already on the market.

5.1.9. Selection criteria

Criterion:

Type: Economic and financial standing

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Enrolment in a trade register

Description: It is enrolled in relevant professional registers kept in the Member State of its establishment as described in Annex XI of Directive 2014/24/EU; economic operators from certain Member States may have to comply with other requirements set out in that Annex.

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: The tenderer must have sufficient economic and financial standing about the size and quality of the procurement.

Description: The tenderer's financial standing is primarily evaluated based on European Business credit reports in the service provided by Suomen Asiakastieto Oy, which must indicate a risk rating score of 1 to 3. If the tenderer's information is not stated in the service provided by Suomen Asiakastieto Oy, the economic and financial standing of the tenderer will be evaluated based on financial statements and/or other similar information. These accounts will be separately requested from the tenderer if they are required. Tenderer's, whose Suomen Asiakastieto Oy risk rating is 5, or whose economic and financial standing is evaluated based on other information to be on a similar basis, will be excluded from the procurement process. Tenderer's, whose Suomen Asiakastieto Oy rating is 4, may be excluded from the procurement process if the tenderer fails to provide reliable documentation on the actions it has or will undertake to improve its creditworthiness. The contracting authority will request the risk rating from Suomen Asiakastieto Oy about each tenderer and use it to evaluate each tenderer's solvency, liquidity, and economic standing. The tenderer commits to provide to the

contracting authority upon request its income statement, balance sheet, annual report, and other financial statements if their publication is required by the laws of the tenderer's country of establishment. In addition, the tenderer commits to provide the documents, if the tenderer's risk rating is not provided by Suomen Asiakastieto Oy. If the tender is made as a group, the requirement applies to all members of the group. If a tenderer uses resource units, all resource units must meet the requirement.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Use of this criterion: Not used

5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: The selection of the Source and Depth Control are based on the lowest price.

Fixed value (total): 100
