2.1. Procedure

Title: Framework agreement with one supplier for the procurement of profiling services and promotional articles.

Description: NND needs a service provider who can support the agency within a broad field of profiling services. NND has a lot of internal knowledge regarding the development of graphical material, but needs a supplier who can assist both when our internal capacity or competence is insufficient, and in areas where external support is necessary. This can include everything from foliation of offices and meeting rooms, to the development of the NND website, PowerPoint templates and illustrations etc. The actor who shall provide profiling services for NND must also ensure that NND can obtain the necessary profiling articles. Profiling material can i.a. include signs, profile clothes, trade fair equipment and 'give-aways' and include the necessary adaptations and printing of physical material.
